GCSE PLUS PROGRAMME

The GCSE Plus Programme offers a second chance to many and aims to equip all students with the five 4–9 (A*–C) GCSE grades required to progress into further education.

The programme allows students to create their own bespoke study programme made up of the five GCSE or BTEC subject options that best suit their interests and plans for the future.

Students have found that the mature and independent environment offered by the College has allowed them to achieve their true academic potential and emerge as more confident individuals and ready to take on their next challenge.
