As the first 6 weeks are your probationary period, we would advise that you wait for confirmation of your place prior to buying specific tools to avoid any unnecessary purchases. We expect all learners to have tool kits by October half term.

**All learners need to purchase PPE prior to starting the course** and bring this with them on their first day. Learners will not be able to participate in any practical activities if they are not wearing the appropriate PPE. **(If you are eligible for a bursary, please purchase your PPE and you will be reimbursed to the sum of £28.50)**

We will provide learners eligible for bursaries with their trade specific tool kits.  
See if you are eligible here: <https://www.sgscol.ac.uk/apply-for-bursary>
